Construction to begin on US Highway 83 near Strasburg and Linton

Construction will begin on two sections of US Highway 83 approximately eight miles south of Strasburg and six miles south of Linton on Monday, June 18. Work consists of two grade raises and construction of two bridges.

During construction:

- Speeds will be reduced
- Motorists may experience brief delays
- Flaggers and pilot cars may be present
- There are no width restrictions at this time but will be posted at a later date

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
